WILLING TO SHOW A YOUNG SLUT

Dear *JUST 18* Magazine: You know, one thing I notice about your magazine is that when the girls are depicted having sex with someone their partner is generally around the same age as they are. What's up with that? I for one would really get off on seeing more photos of hot 18-year-old tarts spreadin' it for an older dude or chick. I'm not talking people grey in the pubes, mind you but someone who is clearly a grown-up. I would be more than happy to offer my services in case there is a shortage of late-30s porn studs. I don't have the thickest steak in the meat department maybe but I sure know how to use it and I'm sure I can show those young sluts a thing or two that they will find to their liking.—*Benny in NC*

WHEN ONE BRAID JUST WON'T DO

Dear *J18*: My favorite hairstyle on a naked lady is when she wears two plaits on either side of her head. I'm not so much a fan of the single braid down the back. That seems to be a hairdo born of practicality and I do not find it to be erotic. But two nice long braids hanging down over her ears, draped forward over her shoulders in front to rest upon her clavicle with the wispy ends below the elastic band like a paint brush just tickling her nipples? Now that's what I'm talking about. It is a youthful style that is, in my opinion, becoming on nearly every female. And when braided up in that manner, the hair does not get in the way during intercourse like it tends to do when it is loose.—*Harold in MN*

WHEN A TEEN ESCORT WON'T DO THE TRICK
 Dear *JUST 18* Magazine: I am a man who has led a more blessed life than most. I have been happily married for 19 blissful years and throughout that time my wife and I have, on several occasions, shared the charms of a willing young whore right around the age of 18. My wife and I are lucky enough to share the same tastes when it comes to that sort of thing—we prefer lithe, slender blondes without too much to speak of up top. Thankfully we live in a town with ample escort services available so we have never found ourselves wanting for extra company whenever we are in the mood. In fact, I have several old issues of *JUST 18* stashed away to use as inspiration when it's time to choose a plaything for a tryst. You always feature such delicious little honeys that it is a major turn on to flip through the pages and enjoy the pics. *JUST 18* is a big part of foreplay for my wife and me, and when we don't feel like picking up the telephone to bring a third party on board we often times just pleasure ourselves with copies of *JUST 18* propped up where we can see them. I love to watch my wife masturbate while looking at photos of young girls eating each other out. It is one of my finest pleasures in life.—Karl near Reno

PARTING THE HEAVENLY THIGHS

Dear *J18*: Every single pretty angel that parts her heavenly thighs for the sake of the happiness of others deserves a life filled with special magical wonderful things. I only wish that I could repay each and every prefect angel by administering careful kisses to the glorious slit nestled so pink and mysterious between their thighs. I have been practicing at home alone on mangoes so that when the time comes I will be able to provide nothing but pleasure and sweetness for the exquisite angels I have admired so long in *JUST 18*. I wish to eat every single one of them out tenderly so I can prove by love and admiration and devotion for their specialness and beauty.—Jimmy in WA

SOFT AND TIGHT

Dear *JUST 18*: I don't know if there have been any scientific tests performed in this area, but it has been my experience that the younger the cunt, the softer the labia. It like the skin on the flaps gets tougher as a broad gets older and things wind up like a turkey wattle down there. But gals like the ones you have posing for you? Those are choice cunts all right, as soft as the day is long. Soft AND tight, a winning combination. Much better than leathery and loose. This is something that I know from experience.—Brent in FL

LOVES BALD PUSSY MORE THAN LIFE

Dear *J18*: Do you think it would be possible to print more photo sets of hot bitches shaving each others' pussies in the bathtub or shower? Or maybe over the kitchen sink or something. I love bald pussy almost as much as I love the other necessities in life like food or money. But I also love to see the process by which a pussy becomes bald. This is most effective if the pussy hair is on the longer side to begin with because then there is a much more dramatic transformation from unshaved to shaved. I don't like to do the shaving myself because, well, that just sort of nasty, but I sure do like to watch one hot bitch taking a razor to the pussy of another hot bitch and tidying things up down there. Just for the record I would never shave my balls for no one, I don't care.—Jeremy in TX

NATALIE

A full-page photograph of a woman with long dark hair, wearing a vibrant, multi-colored tutu (pink, orange, and yellow) and a blue thong. She is also wearing bright orange socks and high-heeled shoes with a colorful pattern. She is posing in a field of tall grass, with one foot on a blue patterned cloth. In the background, there is a large, weathered tree trunk and some green foliage.

My man and I like to spice it up by getting it on in strange places. One of my faves is this old abandoned building that's covered in sick graffiti. It's in this really secluded spot so I can wear random hooker-y outfits. My guy especially loves this crazy tutu that I've had since forever and I love wearing it because it gets him so turned on. So we go to this building and I prance around seductively until he can't take it anymore and has to pounce and jump my bones. He flips my tutu up to get at my box, and he stretches out the lips of my pussyhole until he can get at my clit. Just the fresh air hitting it sends a jolt of horniness up my spine, and then I'm ready to do anything he wants. Luckily he always wants what I want, and so we fuck like bunnies in the grass until we both cum.

AMY & CHUCK

I used to be afraid of anal sex. Any guy who even suggested it got the Heisman. I was determined to go to the grave without anything inbound ever entering my exit hole. But then Chuck came along and changed all that. He used to eat me out for hours, lapping me into wave after wave of delicious orgasmic magic, and then when I was a puddle of goo he'd sneak a finger or two inside my back door without my noticing. Gradually he got around to stretching my sphincter open with different items—a small vibrator, a slender dildo, a non-threatening butt plug. I got so I started to enjoy having my balloon knot penetrated as much as I enjoyed the oral, and so naturally that progressed to Chuck all-out fucking my butt with abandon. The best perk of ass sex is that he can shoot his load right inside me without having to worry about getting me preggers. Bonus! 🍆

HORNDOG'S NOTEBOOK

Thirtyish Howie bangs into eighteen-year-old Garland, who's just fresh from losing her cherry to some hipster and then making it a double-feature with another boy as well. But she decides to try for a triple-feature because her mood is great and Howie keeps cracking her up!

351

HER HORNY HAT TRICK

It was the luckiest ice cream cone I ever ate.

It was a hot day at the height of the New York City summer, and before going down into the subway I'd bought a cone with chocolate chip mint ice cream. I was standing there enjoying the cone before descending into the steamy train, when suddenly this very cute girl half my age whirled around the corner and out of the stairway, banging right into me. She was wearing a low-cut tee that showed off her perky young cleavage.

Unfortunately her enthusiastic gait had mashed the ice cream cone against the front of my shirt.

"Oh I'm so sorry," she said, her eyes widening behind her adorably nerdy glasses. "I, I was just, I don't know, just—"

"My shirt was kind of dull anyway," I said, lifting off the globs of green cream with flecks of chocolate. "This livens it up. I should thank you."

She laughed. "You're so nice

last that I went to see another boy I know out there and I did it with him, too! So it was a double-play!" she laughed. "You mean a doubleheader," I said, not picking.

"A double-feature!" she giggled. "My cinema studies teacher—I'm in college—you see?—told us all about the double-features they used to have at theaters."

"Have you heard of triple-features?" I said, trying not to sound sly.

"I was getting to that, Howie, but why don't you give me that shirt, first?" I peeled off my ice-creamy garment and she took it into the bathroom, rinsed it out and hung it up.

I reached my hands up and covered my nipples. Garland started laughing and

about it! Older men are so understanding. "I'm not that much older. Well, maybe I could be your father's age..."

"You see," she went on, "I just had, had the most, well, exciting afternoon and, um, I wasn't thinking when I was coming up the steps!" She had a pleasingly girlish voice.

"It's not a tragedy, this shirt," I said, trying not to be obvious as I kept getting eyefuls of the delectable line of her cleavage. It wasn't that she was top-heavy—I'd say her rack wasn't more than a B-cup—but just that they were tantalizingly displayed.

"I hope, I mean I hope you weren't getting ready to go somewhere important like, oh I don't know, like on a date!"

"Nope. I was just on my way to nowhere. About to go down to Union Square and maybe get a beer."

"Come back to my apartment," she said, pointing. "I live right down there near Ninth Avenue with a girlfriend. I'll wash out your shirt."

"What will I wear in the meantime?" I said.

"I'll wrap you in a rug," she laughed. "Come on, silly, and I'll tell you about my day! My name's Garland. What's yours?"

"Howie."

And she took my hand and led me to her lair, a funkily furnished walk-up on 49th Street.

One reason I like young girls around eighteen is that they have fewer preconceptions about people. They're open to new experiences. In fact, as Garland told me, she had just opened herself to a major experience—giving up her virginity to a guy she'd met at a brunch party in hipster heaven Brooklyn. It had been such a good encounter she was bubbling over with joy when she'd bumped into me.

"But there was more," she said. "I felt so proud getting rid of my cherry at

couldn't stop.

"What are you, a comedian?" she said between chortles.

"Something almost as comical," I said. "A freelance writer."

"Oh do you have a blog?"

"These days that's like asking if a person has an asshole."

She laughed so much at that—I guess I was on a roll—I could see tears behind her nerdy glasses. She took them off. "I bet you're a funny writer."

"Garland, let's get back to that triple-feature concept."

She took me into the bedroom. There were two beds, one for her and one for the roommate who obviously wasn't there. She told me to sit on the roommate's, while she sat on her own. She began taking off her clothes. It didn't take long

"Two in Brooklyn and one in Manhattan, what a virginity-losing day hum, Howie?"

"You mean you're losing it three times? That's the real 'hat trick' if you can pull it off"

"What's a hat trick?"

"When you do three good things in a row."

"Well, I may have lost the physical cherry with the first boy, but I still have some of the mental cherry to rub away..."

"I like the way you talk, Garland. You might have a future as a freelance writer yourself"

"I already have a blog!" She began rubbing her titties and lay back on the bed. I got up to come over, but she told me to stay put. "The third feature isn't about to start just yet. This is just the coming attraction, Howie."

"I like trailers."

"Good. Tell me that you want me first."

"Well you can already tell my nipples want you." I pointed at them.

"You like them sucked?" she said, running her hands over her own. "I'll do yours if you do mine."

"You won't have to work hard to convince me." I opened my jeans and began stroking my already eager pole.

"Just tell me you want me."

"I want you, Garland. Once a girl has mashed my ice cream, I'm hers."

She laughed again. "Do you want to make me laugh, or do you want to make me horny?"

"I want you to laugh WHILE you're horny"

"Hmm, sounds interesting," she said, sliding her fingers down her tummy to her crotch and then rubbing them over her slit.

"Laughing is the next best thing to having an orgasm," I said, watching her carefully as she caressed herself. She anchored her bare feet against the bed, bent her knees up, parted her thighs and slid her fingers into her pie. The squish might as well have been in Dolby Stereo, the way it filled the room between her sighs and my breathing

"I'm not laughing now, Howie," she said, taking off her glasses at last. Funny how naked her face looked now. I wanted to put my cock in her mouth so badly.

"I want to see you cum," I said. "This is the trailer, right? Then the third feature?" "Just think," she said, looking away from me rubbing her hands on her titties and her clitty, "I learned something about sex from taking cinema studies."

"That's why college is good. It broadens a person's mind." "Tell me you want me," she said, looking my way again. "It's not enough for me to see your hard penis. I need to hear the words, and then...then we'll do the third feature. Triple-feature show!"

"Your hat trick."

"Ooh..." she groaned. "Tell me!"

"I want you, Garland, so damn fucking much!" Glancing out of the corner of my eye, I could see my messy shirt hanging off the shower curtain rack in her bathroom. We met "cute" as they say in screenwriting classes. Everybody should meet somebody "cute" just once in their lives.

"I want every inch of you, every inch you want to give me," I said.

"And I want to give you everything," she gasped.

I stroked my cock and watched her play with her pussy only inches away, and then suddenly she groaned and smashed her eyes tight and came on her hand. She twisted her thighs around her wrist like a pretzel and I swear I never wanted a girl as much as I wanted Garland at that moment. And I held off from cumming because I knew if I didn't spray it now I'd have one of the finest orgasms of my life once I got inside that pie.

And I was right. I didn't just cum in her about twenty minutes later—I irrigated her! What a wonderful thing, to help Garland complete her hat trick. Or "triple-feature" as they'd say in Cinema Studies! 🍆

Whenever anyone calls me a slut I just laugh. I am way more fun than 99% of the same-age girls, but there are a lot of girls who gotta come up with something to come bring it on. I like to fuck, what's the big deal? I like it a lot. I like that one guy at a time, less is enough for me. One set of fingers, one mouth, one cock, and balls, yawn. Trust me, there's nothing worse than feeling bored while getting balled! So I only go the way when there's two people, studs present to service me. I am getting spit-roasted the best. When I have a dude at either end thrusting away with all their might, it feels like their cocks are gonna meet in the middle. It's beyond intense. It gives me these huge body rocks. Oooh. Then the boys pull out and spray hot spooge all over me. It's maybe that makes me seem a little bit slutty. 🍑

TURBO-D

FOR ERECTION PROBLEMS

American Indians used drugs in nature: aspinn in birch bark, quinine in cinchona, digitalis in fox glove which they used to stimulate long strong erections. Chinese used GINSENG to increase sexual power, while Central Americans used sarsaparilla in the same way. Our formula supplants ALL THESE LEGENDARY PRODUCTS in a single capsule for daily use. We make no claim TURBO-D is an aphrodisiac, but we've had many repeat customers since 1974. If you have erection problems, try it. You won't be sorry.

DO YOU WANT THE SEX POWER OF A BULL?

Throughout the civilized world daily doses of natural substances called Tocopherol are given to breeding bulls to increase their sexual performance. Meaning quicker repeating erections and more powerful orgasms. This is not just a theory. It has been shown in agricultural laboratory tests that when bulls are given tocopherol on a steady basis they actually impregnate more cows. Tocopherol increases their DESIRE and their ABILITY to copulate. This phenomenon has not been conclusively demonstrated in humans, but if you'd like to WANT IT MORE and DO IT MORE, if you'd like a BIGGER STIFFER ERECTION that goes the distance, Tocopherol may be the answer for you. Tocopherol is completely safe for human consumption and approved for sale by the Federal Government. Send for a trial supply today. You could be giving your sex life a tremendous boost.

CASSIE

Sometimes it's hard being this adorable. I'm not whining or anything, but when you have a flawless face and a tight, perfect little bod, sometimes people don't pay attention to what you say because they're too busy undressing you with their eyes. Whenever that happens to me I like to yank up my top to flash my nipples, just to freak everyone out. My boobies are so pert and perky that I never need to wear a bra. Actually, undressing in public places really turns me on. I love giving total strangers an eyeful of the plump little peach I have between my legs, and then going home to and paw it while remembering the look of surprise on everyone's face. My ass is drool-worthy as well—round, firm, and silky smooth. Basically, it's a great place to bust a nut. In fact, anywhere on my body is a good place to spill some baby batter. I don't even mind getting it in my hair. 🍌

Blowdown

When you're as oversexed as I am, you hafta be ready to stop, drop and rub at a moment's notice because you never know when you'll next be able to snatch a bit of privacy. For me, every trip I make to the loo provides the perfect opportunity to squeeze out an O. That's why I haul a big green gash tickler around with me in my purse at all times. As soon as I lock myself safely away inside the ladies' room, I pull that puppy out and flick its switch to ON. Then I sit pretty atop the toilet seat, thighs spread wide, and put that purring piece of plastic right up against my juicy pussy. The tip slips inside with a soft little squish and I slide the vibe as deep as it will go while clenching my cunny with all my might. After that all I gotta do is buck my hips to blissville. 🍆
